A TROLL LEARNING CENTER

Troll Math Class is the ideal way to introduce students to basic math skills. **LEVEL 2: I CAN CARRY & BORROW** focuses on addition and subtraction of two-digit numbers, and introduces the concepts of place value and regrouping.

Colorful activities use lively animation and optional sound to help youngsters learn how to add and subtract two-digit numbers with and without regrouping. Step-by-step demonstrations show children how to "borrow" and "carry."
